Job Opportunities

Registered Massage Therapist

Locations: Victoria, Vancouver

www.neuromotion.ca

Our Vision

Individuals impacted by neurological conditions are cared for in a supportive, inclusive, empowering setting and can access a knowledgeable and specialized multidisciplinary rehabilitation team.

Values

Compassionate | Knowledgeable | Honest | Dedicated | Team Driven

Position Summary:

Neuromotion therapists work collaboratively with people of all ages and abilities who experience challenges or obstacles to participation. They create and execute treatment plans in conjunction with the multi-disciplinary Neuromotion clinician team to provide superior care for clients and enable them to live their best life.

Who we are.

Neuromotion is a group of 3 physiotherapy clinics that are uniquely positioned to treat people with neurological impairments. We have locations in Surrey, Victoria, and Vancouver. Our goal is to provide the BEST rehabilitation experience possible. We are committed to helping people establish and reach their goals in a caring and challenging way! Serving adults and children, our compassionate and knowledgeable team of 50 strong and growing, has a goal to provide the most rewarding rehabilitation experience for all British Columbians.

Who you are.

You are an individual who cares deeply and wants the best for your clients! You have experience working with individuals with neurological injuries. You are a leader and love to inspire others to learn and others to grow so they can also provide the best treatment for their clients. You are a team player who likes to have fun at work while challenging your clients and team. You are adaptable and open to learning new things and trying new therapies to allow your clients to reach their maximum potential. You are a passionate and proud Clinician who is looking for an opportunity to participate with a team of enthusiastic caring professionals to deliver outstanding rehabilitation to individuals with Neurological Injuries.

What you will focus on

- **Conducting** initial assessments and treatment sessions for clients in-clinic.
- **Creating, building, and maintaining** effective communication & connections with a multidisciplinary team, clients, employers, referral sources, family members and other massage therapists
- **Documenting** accurate and timely charts including relevant assessment, treatment plans, and progress reports. Completing reports regarding client progress as required by funders.
- **Maintaining and updating knowledge** in Massage Therapy through continuing education opportunities, reviewing recent literature, and connecting with other professionals.
- **Providing** a calm and empathetic demeanor in difficult situations.
- **Optimizing and maximizing** your daily schedule
- **Abiding** by all safety regulations

What you bring

- Current practicing registration with the College of Massage Therapists of British Columbia (CMTBC)
- Graduation from a massage therapy educational program recognized by CMTBC
- Experience working with individuals with neurological conditions an asset, but not required
- Ability to write clear and comprehensive reports and other correspondence
- Ability to communicate using different styles and methods to suit individual clients and situations

What we offer you

- A supportive team and assistance from volunteers as needed
- Humour, encouragement, and care in challenging situations.
- Contracted employment
- Use of equipment such as high-low plinths, linens, cleaning supplies, washer/dryer, etc.
- Referrals from existing client base
- Paid Onboarding and Training
- A private space in a busy clinic
- A competitive financial offer
- Mentorship
- Inclusion in team building events
- Community involvement
- Probable lifelong friendships

Contact us today if you have our same core values!
