Job Opportunity:
Registered Kinesiologist

Locations: Vancouver
www.neuromotion.ca

Our Vision

Individuals impacted by neurological conditions are cared for in a supportive, inclusive, empowering setting and can access a knowledgeable and specialized multidisciplinary rehabilitation team.

Values

Compassionate | Knowledgeable | Honest | Dedicated | Team Driven

Position Summary:

Neuromotion kinesiologists work collaboratively with people of all ages and abilities who experience challenges or obstacles to participation. They create and execute exercise plans in conjunction with the multi-disciplinary Neuromotion clinician team to provide superior care for clients and enable them to live their best life.

Who we are.

Neuromotion is a group of 5 physiotherapy clinics that are uniquely positioned to treat people with neurological impairments. We have locations in Surrey, Victoria, Vancouver, Mid Vancouver Island and North Vancouver. Our goal is to provide the BEST rehabilitation experience possible. We are committed to helping people establish and reach their goals in a caring and challenging way! Serving adults and children, our compassionate and knowledgeable team of 50 strong and growing, has a goal to provide the most rewarding rehabilitation experience for all British Columbians.

Who you are.

You are an individual who cares deeply and wants the best for your clients! You have experience working with individuals with neurological injuries. You are a leader and love to inspire others to learn and others to grow so they can also provide the best treatment for their clients. You are a team player who likes to have fun at work while challenging your clients and team. You are adaptable and open to learning new things and trying new therapies to allow your clients to reach their maximum potential. You are a passionate and proud Clinician who is looking for an opportunity to participate with a team of enthusiastic caring professionals to deliver outstanding rehabilitation to individuals with Neurological Injuries.

What will you focus on?

- **Assisting** with initial assessments and continued treatment assigned by the physiotherapist
- **Encouraging** clients with positive reinforcement to reach their goals
- **Treating** clients in the clinic and in their homes.
- **Executing** and documenting exercise plans
- **Creating, Building, and Maintaining** effective connections with your clients
- **Processing** accurate and timely charts
- **Providing** a calm and sympathetic demeanor in difficult situations.
- **Ensuring** you provide the safest treatment using clinic space and equipment
- **Effectively** operating innovative technologies including the Lokomat, Myndmove and Tilt Table.
- **Recruiting, Scheduling and Leading** clinic volunteers
- **Participating** in clinic initiatives, social media and community awareness
- **Communicating** with the Clinical Lead and Clinic Manager

What do you bring?

- Professional Experience
- University Degree focused on Kinesiology and/or Physiotherapy
- Registered with BCAA
- Access to an automobile to administer client "in-home" treatment is an asset
- Leadership, Organization, and Communication skills
- Flexibility, Empathy
- Positive Energy
- Humour

What we offer you.

- A positive and rewarding team environment
- 16-24 hours a week
- \$36/hour for billable hours
- Interesting and varied caseload
- Weekly education sessions
- Education fund and availability to government grants
- Paid onboarding
- Feedback from peers and supervisors
- Opportunities to improve the care of individuals with neurological injuries
- Opportunities to mentor students and volunteers
- Health and Dental Benefits
- Group RRSP with a 3% contribution match
- Community involvement
