

July 2026

Job Opportunity:

Registered Kinesiologist

369 Terminal Ave.

Vancouver, BC, V6A 4C4

Position Summary:

Neuromotion Kinesiologists work collaboratively with people of all ages and abilities who experience challenges or obstacles to participation. They create and execute exercise plans in conjunction with the multi-disciplinary Neuromotion clinician team to provide superior care for clients and enable them to live their best life.

Why choose us?

Our Vision

Neuromotion ensures individuals impacted by a neurological condition are cared for in a supportive environment by a specialized multidisciplinary rehabilitation team.

Our Values

Neuromotion team member's practice: Compassion, Knowledge, Integrity, Dedication, and Collaboration

Our Dedication to our Clients

- **Diverse** – Treating clients with multiple neurological conditions including Multiple Scleroses, Traumatic Brain Injury, Stroke, Spinal Cord Injury, Parkinsons, etc
- **Progressive** – we use targeted, innovative, high-tech equipment
- **Trust** – we work with clients to reach their goals showing empathy and commitment
- **Adaptable**– we treat clients in their homes

Why we encourage you to join our team

- **Starting wage** of \$36/per billable hour based on experience
- **Work 4 days a week** – Tue and Fri 4 hours per day / Wed and Sat 7.5 hours per day
- **Paid onboarding** for first 90 days
- **Health and Dental** benefits
- **RRSP** options with Employer match of 3%
- Opportunities for **advancement**
- Regular team **social events**
- Ability to **work with a team** to treat a determined and strong population affected by a neurological condition

Clinician Focus

- **Assisting** with initial assessments and continued treatment assigned by the physiotherapist
- **Encouraging** clients with positive reinforcement to reach their goals
- **Treating** clients in their homes ensuring the safest treatment possible
- **Executing** and documenting exercise plans
- **Creating, Building, and Maintaining** effective connections with your clients
- **Processing** accurate and timely charts
- **Participating** in company initiatives, social media and community awareness
- **Communicating** with the Kinesiologist Advisor and Regional Manager
- **Optimizing and maximizing** your daily schedule

Clinician Experience

- Education in the field of Kinesiology
- Registered with BCKA
- Access to an automobile to administer client "in-home" treatment
- Previous work with Neuro clients is an asset but not mandatory
- Outstanding organization and communication skills
- Flexibility, empathy
- Positive energy
